I just checked Jenny's schedule and this time is open. She is also open late on Monday, after 4 pm. However, it seems she has quite a few meetings in Metcalf those days, so I marked the invite as tentative. If we could meet in Jenny's office, we could transition to the CFAC meeting at 2 pm in Ponderosa.

Hi, Tom:

Do you and Jenny have any time on the 9th or 10th that you could meet with me and Bill? Bill is planning a trip to Helena and would like to meet with you if you have the time. There's no specific agenda, yet, just a general Superfund check-in.

Thank you,

Joe

That works okay for me, too, Tom.

Thank you,

Joe

Aiming for the 10th at 2 pm, Mike called after noting on conflict on 5/9. Tom

If the 9th or 10th works, lets go for one of those. We won't have Mr. Reiger, from enforcement, but maybe he can provide key bullets. Afternoon of the 9th is wide open for me. Would that work,

Tom

Hi, Tom:

I thought you were looking at the 9th or 10th. I have my annual OSHA 8-hour refresher all day on May 12th. Can we look at another date or time?

Thank you,

Joe

Mike,

I've pinged the key doers on the CFAC site and it looks like Thursday May 12th is the best day. I am open from 9 am to 3 pm, so let me know and I'll get an invite out if that would work for your schedule. I'm thinking of blocking two hours, but really don't think we'd need that much time.
